PARKING INFORMATION

We appreciate your work with the students and want to make things as easy as possible. However, parking at Emory University can be quite challenging, and, unfortunately, the parking situation is out of the Department of Music’s control. We hope one of the options available will work for you.

All affiliate vehicles must display valid parking registration. There are a number of permit options available.

General Parking Information:
The parking rate for a full parking pass is $56/month payable in advance for the month(s) needed.

Emory also offers an Occasional Use parking pass: The Eagle Pass. This permit allows for all day usage at a rate of $100 for 20 entries or $5 an entry. This pass is reloadable.

All permit holders will be assigned a parking garage. Clairmont (also known as Starvine) and Peavine parking decks are available for these types of all-day parking permits. Other decks do have options and availability for less than all-day parking needs.

Another option is the Evening permit (also known as the “after 2:00 pm permit”), which costs $100 and is good from September 1 to August 31. It is available for Starvine, Peavine, and Lowergate South. The permit can be used after 2:00 pm.

The gate arms on the permit parking decks go up at 4:00 pm, with the exception of the Fishburne deck, which raises at 6:00 pm. The gate arms at hourly visitor decks stay down.

To purchase any of these options, you will need to go to the Emory Parking and Transportation Services Office at 1945 Starvine Way, Decatur (Clairmont Campus). Office hours Mon-Fri 7:30 am-4:30 pm.

Bring with you:
• Vehicle registration with make, model, and tag number
• Driver’s License
• Employee ID number (Kathy can help you if you don’t know this)

For help with getting around on campus, try riding one of the Emory shuttle buses. (http://transportation.emory.edu/shuttles/index.html) The system runs very well, and the transportation office provides a great tracking application to help you manage the system. You can access it from a web browser at http://emory.transloc.com/ or download the Transloc app for your smartphone.

If you need to carry a large instrument that will not fit on the shuttle, please call the Music department office 404-727-6445 for assistance.
Parking Options for Schwartz Center:
Peavine is the best option for parking near the Schwartz Center. When you come to the main entrance at Emory (the traffic circle near all the restaurants), enter through the main gate and follow Dowman Drive to the bottom of the hill. Turn right onto Eagle Row. Peavine Parking Deck is on your left. Note that there is a separate entrance for hourly visitor parking and permit parking.

The walk from Peavine to Schwartz will take you five to ten minutes. If you do not wish to walk, take the Loop or the D shuttle and get off at Fishburne and Woodruff Library. This will drop you right in front of the plaza area at the Business School arch on Fishburne Drive. Walk to the right, under the archway, and you will see the Schwartz Center straight ahead. The D shuttle only runs until 3:30.

You can also choose to park at Clairmont deck. This deck is accessible off of Clairmont Road. Turn on to Starvine Way, follow the road, and the garage will be on your left. The walk from Clairmont to Schwartz is quite long, so we advise you take a shuttle. The Loop shuttle also services this parking deck. The C shuttle, while it will not drop you off to Schwartz as closely as the Loop, runs more often than the Loop. Take the C to Woodruff Circle; the walk to Schwartz will take you about five minutes.

While Fishburne deck is the closest to Schwartz, it is a very busy deck with a very long waiting list, so, unfortunately, monthly and/or Eagle permits are not available for it. However, there are a few other options for parking here.

Hourly visitor parking is available at this deck at the following rates:

A limited number of FREE “after 4:00 pm passes” for Fishburne Deck are available for instructors who regularly teach lessons in the Schwartz Center to help them enable their teaching schedule. If you would like to request a pass, please call or email Aimee McCarron (404-727-6445 or aimee.mccarron@emory.edu). We will accommodate as many instructors as we can but only for those whose teaching schedule warrants it. You will be asked to complete a form. The pass can be used only for the vehicle specified in the form. Additionally, the office reserves a number of these passes to loan to faculty for their guest artists and to Affiliate faculty who may have a recital in Emerson.

Parking options for the Burlington Road Building (BRB):
Lowergate South is the faculty/staff parking deck that is closest to BRB. If you are driving north on Clifton Road, take your first right after N. Decatur Road. The deck will be on your right. This deck may also have a waitlist for monthly and Eagle permits. You can also purchase an Evening permit for Lowergate South, if you teach after 2:00 pm. Teaching in BRB after 4:00 pm may be your best option, as that is when the gate arm raises, and the deck is free for use.

There is another Lowergate deck, attached to the Emory Clinic, that offers hourly visitor parking at similar rates to the Fishburne visitor deck. Remember that the gate arm on this deck does not go up at 4:00 pm, though.

After 5:00 pm, you can park in the small parking lot across from BRB but do not attempt to park in there before this time. EPD monitors that parking lot from early morning until 5:00 pm for vehicles that do not display a valid monthly parking permit.

If you park at Peavine, the Loop shuttle is your best option to get to BRB. Otherwise, it is about a 15-20 minute walk. The closest stop is at Gambrell/North Decatur Building (NDB). You can either cut through or go around NDB. The closest stop on the D shuttle is at the Business School.

If you park at Clairmont, you can take the Loop or the E shuttle. This also stops at Gambrell/NDB. The E shuttle runs from 5:00 am to 9:00 am and then from 3:00 pm to 8:00 pm.

**Park-and-Ride/Commuter Shuttles**
The Transportation Office also offers a commuter shuttle from downtown Decatur and Park-and-Ride shuttles from North Dekalb Mall and South Dekalb Mall. For access to BRB, all three busses have a stop right in front of the building. For access to Schwartz, the stop is in front of the Law School and/or Business School.

Please note that due to the Emory Hospital expansion, there will be a lot of road construction during the 2016/17 academic year and that this could impact your commute. Please visit cliftonstreetscape.com for more information on the changes.

Once again, we appreciate everything you do for our students, and we hope this document has helped answer your parking concerns. If you have additional parking and transportation questions, please contact the Emory Transportation and Parking Services Office for further assistance:
